

Welcome to the Worldwide Homefurnishings Inc. 2023 Digital Catalogue!

This catalogue format makes it easy for you to find just what you're looking for, with all the information needed right at your fingertips. And now, with our digital catalogue experience, you can find and order what you need with a quick click - all images are direct links to the website!

We always strive to bring you the best in what the industry has to offer, at affordable prices, and with the utmost level of service. Throughout these pages, you will find an up-to-date collection of our current, best-selling items along with a selection of **BRAND NEW** products!

Products are easy to find and browse through, separated by category, with full product specifications including features and dimensions.

Be sure to keep an eye out for the following indicators:

This icon indicates which sizes of beds are available.

These icons indicate whether items **require assembly** or are shipped fully assembled.

This icon identifies items that can easily and safely be shipped through **small parcel carrier** networks (i.e., UPS, FedEx, Canpar). These items also qualify for easy drop-shipping solutions. For further information on our **drop-shipping program** please contact your area sales representative or our office at info@whionline.com.

This icon identifies items that are suitable for light commercial/hospitality purposes (i.e., offices, reception areas, model homes). Although standard warranties are void for any product used under non-residential conditions, items bearing this icon will be applicable for our **extended warranty program**. Please contact your area sales representative for further information.

Don't forget to visit our newly improved online home for even more features!

Our website **WORLDWIDEHOMEFURNISHINGSINC.COM** is a user-friendly experience for both our dealers and end consumers. From beautiful, large scale images with alternate views and complete product specifications, to real-time inventory updates and an easy-to-use online ordering system, you will find everything you need to make your buying experience a pleasant one.
